EXPLANATORY NOTES

1. SOURCE OF DATA: All personnel data are as of 31 December 1968 and was extracted from the Officer Master Tape Record (OMTR) maintained by U.S. Army Data Support Command. The absence of information indicates that data was not available at Headquarters, Department of the Army at time of publication.

2. NAMES: Names appearing in the Register are limited to 18 spaces, except that officers recently called to active duty reflect only the first 10 positions of their names. Due to space limitation, names appear in truncated form as entered on the OMTR rather than reduced to abbreviations or initials.

3. ASTERISK: An asterisk appearing in the component column identifies those Regular Army warrant officers on active duty as USAR commissioned officers.

4. PROMOTION ELIGIBILITY DATE: The date from which the officer's eligibility for consideration for promotion to the next higher grade is computed (AR 135-155).

5. BASIC PAY ENTRY DATE: The date from which service creditable for basic pay is computed.

6. ERRORS AND OMISSIONS: The information contained in the OMTR is updated electronically by means of the Automatic Data Processing System (AR 330-17).
